SECTION V. GENERAL PROVISIONS

The notice should be given to Us or Our designated representative and should include sufficient information to identify You.

This statement must be received within the time given for filing proof of loss.

Proof of Loss: Proof of loss must be provided within ninety (90) days after the date of the loss or as soon as is reasonably possible. Proof must, however, be furnished no later than twelve (12) months from the time it is otherwise required, except in the absence of legal capacity.

If any benefit is payable to: (a) an Insured who is a minor or otherwise not able to give a valid release; or (b) the Insured's estate, We may pay any amount due under the Certificate to the Insured's beneficiary or any relative whom We find entitled to the payment. No legal action may be brought to recover on the Policy within sixty (60) days after written Proof of Loss has been furnished. Concealment and Misrepresentation: The entire coverage will be void, if before, during or after a loss, any material fact or circumstance relating to this insurance has been concealed or misrepresented.

Other Insurance with the Company: You may be covered under only one travel Certificate with the Company for each Trip. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

Subrogation: If the Company has made a payment for a loss under this coverage, and the person to or for whom payment was made has a right to recover damages from the Third Party responsible for the loss, the Company will be subrogated to that right. You shall help the Company exercise the Company's rights in any reasonable way that the Company may request: nor do anything after the loss to prejudice the Company's rights: and in the event You recover damages from the Third Party responsible for the loss, You will hold the proceeds of the recover for the Company in trust and reimburse the Company to the extent of the Company's previous payment for the loss.

Reductions in the Amount of Insurance: The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid for any loss or damage under this coverage for Your Trip.

SECTION VI. COORDINATION OF BENEFITS

Applicability

The Coordination of Benefits ("COB") provision applies to This Plan when an Insured has health care coverage under more than one Plan. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan. The benefits of This Plan:

- (a) will not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but
- (b) may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described further in the section entitled Effect on the Benefits of This Plan.

Definitions

"Plan" is a form of coverage written on an expense incurred basis that provides benefits or services for, or because of, medical or dental care or treatment. "Plan" includes:

- (a) group insurance and group remittance subscriber contracts;
- (b) uninsured arrangements of group coverage;
- (c) group coverage through HMO's and other prepayment, group practice and individual practice Plans; and
- (d) blanket contracts, except blanket school accident coverages or a similar group when the Certificate:

"Plan" does not include individual or family: (a) insurance contracts; (b) direct payment subscriber contracts; (c) coverage through HMO's; or (d) coverage under other prepayment, group practice and individual practice Plans.

"This Plan" is the parts of this blanket contract that provide benefits for health care expenses on an expense incurred basis.

"Primary Plan" is one whose benefits for a person's health care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:

- (a) the Plan either has no order of benefit determination rules, or it has rules which differ from those in the contract;
or
- (b) all Plans that cover the person use the same order of benefits determination rules as in this contract, and under those rules the Plan determines its benefits first.

“**Secondary Plan**” is one that is not a Primary Plan. If a person is covered by more than one (1) Secondary Plan, the order of benefit determination rules of this contract decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, under the rules of this contract, has its benefits, determined before those of that Secondary Plan.

“**Allowable Expense**” is the necessary, reasonable, and customary item of expense for health care; when the item of expense is covered at least in part under any of the Plans involved.

The difference between the cost of a private hospital room and a semi-private hospital room is not considered an Allowable Expense under the above definition unless the patient’s stay in a private hospital room is medically necessary in terms of generally accepted medical practice.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered both an Allowable Expense and a benefit paid.

“**Claim**” is a request that benefits of a Plan be provided or paid. The benefits claimed may be in the form of: (a) services (including supplies); (b) payment for all or a portion of the expenses incurred; or (c) a combination of (a) and (b).

“**Claim Determination Period**” is the period of time, which must not be less than six (6) consecutive months, over which Allowable Expenses are compared with total benefits payable in the absence of COB, to determine: (a) whether overinsurance exists; and (b) how much each Plan will pay or provide.

For the purposes of this contract, Claim Determination Period is the period of time beginning with the Effective date of coverage and ending six (6) consecutive months following the date of loss or longer as may be determined by the proof of loss provision.

“Order of Benefit Determination Rules”

When This Plan is a Primary Plan, its benefits are determined before those of any other Plan and without considering another Plan’s benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of any other Plan only when, under these rules, it is secondary to that other Plan.

When there is a basis for a Claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

- (a) the other Plan has rules coordinating its benefits with those of This Plan; and
- (b) both those rules and This Plan’s rules, as described below, require that This Plan’s benefits be determined before those of the other Plan.

Rules. This Plan determines its order of benefits using the first of the following rules which applies:

- (a) Nondependent/Dependent Rule. The benefits of the Plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent.
- (b) Longer/Shorter Length of Coverage Rule. The benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.

To determine the length of time a person has been covered under a Plan, two (2) Plans shall be treated as one if the claimant was eligible under the second within twenty-four (24) hours after the first ended. Thus, the start of a new Plan does not include: (a) a change in the amount or scope of a Plan’s benefits; (b) a change in the entity which pays, provides or administers the Plan’s benefits; or (c) a change from one (1) type of Plan to another. The claimant’s length of time covered under a Plan is measured from the claimant’s first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant’s coverage under the present Plan has been in force.

Effect on the Benefits of This Plan When it is Secondary

The benefits of This Plan will be reduced when it is a Secondary Plan so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses, not otherwise paid,

which were incurred during the Claim Determination Period by the person for whom the Claim is made. As each Claim is submitted, This Plan determines its obligation to pay for Allowable Expenses based on all Claims that were submitted up to that point in time during the Claim Determination Period.

Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts are needed. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to pay the Claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means reasonable monetary value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Us is more than We should have paid under this COB provision, We may recover the excess from one or more of: (a) the persons We have paid or for whom We have paid; (b) insurance companies; or (c) other organizations.

Non-complying Plans

This Plan may coordinate its benefits with a Plan that is excess or always secondary or which uses order of benefit determination rules which are inconsistent with those of This Plan (non-complying Plan) on the following basis:

- (a) If This Plan is the Primary Plan, This Plan will pay its benefits on a primary basis;
- (b) if This Plan is the Secondary Plan, This Plan will pay its benefits first, but the amount of the benefits payable will be determined as if This Plan were the Secondary Plan. In this situation, Our payment will be the limit of This Plan’s liability; and
- (c) if the non-complying Plan does not provide the information needed by This Plan to determine its benefits within thirty (30) days after it is requested to do so, We will assume that the benefits of the non-complying Plan are identical to This Plan and will pay benefits accordingly. However, We will adjust any payments made based on this assumption whenever information becomes available as to the actual benefits of the non-complying Plan.

COLORADO GUARANTY NOTICE

NOTICE OF PROTECTION PROVIDED BY LIFE AND HEALTH INSURANCE PROTECTION ASSOCIATION

This notice provides a brief summary of the Life and Health Insurance Protection Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Colorado law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Colorado law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Colorado law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association’s website <http://colorado.lhiga.com>, email jkelldorf@gmail.com or contact:

GRIEVANCE PROCEDURES

When You submit a claim and that claim is denied, We will provide a written statement containing the reason(s) for the Adverse Determination. You have the right to request a review of any Company decision or action pertaining to Our contractual relationship and to appeal any adverse claim determination that was made by filing a Grievance. These procedures have been developed to ensure a full investigation of a Grievance through a formal process.

DEFINITIONS

A “**Grievance**” is a written complaint requesting a change to a previous claim decision, claims payment, the handling or reimbursement of health care services, or other matters pertaining to Your coverage and our contractual relationship.

An “**Adverse Determination**” is a determination by the Company or its designated utilization review organization that (i) a service, treatment, drug, or device, is experimental, investigational, specifically limited or excluded by Your coverage; or (ii) a facility admission, the availability of care, continued stay or other health care services proposed or furnished have been reviewed and, based upon the information provided, does not meet the contractual requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness and therefore, the benefit coverage is denied, reduced or terminated in whole or in part.

INFORMAL GRIEVANCE PROCEDURE

You, Your authorized representative, or a provider acting on Your behalf may submit an oral complaint by telephoning Us within sixty (60) days after an event that causes a dispute. Telephoning Us allows You to discuss Your complaint or concerns and provides Us the opportunity to immediately resolve the dispute.

If We do not have all the information necessary to review Your complaint, We will request any additional information within five (5) business days of receiving Your complaint. After We receive all of the additional information, We will provide You, Your authorized representative, or a provider acting on Your behalf with Our written decision within thirty (30) days after receiving the complaint and all additional information.

If the problem cannot be resolved in this manner, You still have the right to submit a written request for the complaint to be reviewed through the Formal Grievance Procedure, as outlined below.

FORMAL GRIEVANCE PROCEDURE

A formal Grievance may be submitted by You, Your authorized representative, or in the event of an Adverse Determination, by a provider acting on Your behalf.

If You file a formal Grievance, You will have the opportunity to submit written comments, documents, records and other information You feel are relevant to the Grievance, regardless of whether those materials were considered in the initial Adverse Determination.

First Level Review

Within three (3) working business days after receiving the Grievance, We must acknowledge the Grievance and provide You, Your authorized representative or a provider acting on Your behalf with the name, address, and telephone number of the coordinator handling the Grievance and information on how to submit written material. The person(s) who reviews the Grievance will not be the same person(s) who made the initial Adverse Determination. During the review, all information, documents, and other materials submitted relating to the claim will be considered, regardless of whether they were considered in making the previous claim decision. You will not be allowed to attend, or have a representative attend, a First Level Review. You may, however, submit written material for consideration by the reviewer(s).

When the Grievance is based in whole or in part on a medical judgment, the review will be conducted by, or in consultation with, a medical doctor with appropriate training and expertise to evaluate the matter.

Following Our review of Your Grievance, We must issue a written decision to You and, if applicable, to Your representative or provider, within twenty (20) days after receiving the Grievance. The written decision must include:

1. The name(s), title(s) and professional qualifications of any person(s) participating in the First Level Review process.
2. A statement of the reviewer's understanding of the Grievance.
3. The specific reason(s) for the reviewer's decision in clear terms and the contractual basis or medical rationale used as the basis for the decision in sufficient detail for You to respond further to our position.
4. A reference to the evidence or documentation used as the basis for the decision.
5. If the claim denial is based on medical necessity, experimental treatment or similar exclusion, instructions for requesting an explanation of the scientific or clinical rationale used to make the determination.
6. A statement advising You of Your right to request a Second Level Review, if applicable, and a description of the procedure and timeframes for requesting a Second Level Review.

Second Level Review

The Second Level Review process is available if You are not satisfied with the outcome of the First Level Review for an Adverse Determination. Within ten (10) business days after receiving a request for a Second Level Review, We will advise You of the following:

1. the name, address, and telephone number of a person designated to coordinate the Grievance review for the Company;
2. a statement of Your rights, including the right to:
 - (a) attend the Second Level Review;
 - (b) present Your case to the review panel;
 - (c) submit supporting materials before and at the review meeting;
 - (d) ask questions of any member of the review panel;
 - (e) be assisted or represented by a person of Your choice, including a provider, family member, employer representative, or attorney;
 - (f) request and receive from Us free of charge, copies of all relevant documents, records and other information that is not confidential or privileged that were considered in making the Adverse Determination.

We must convene a review panel and hold a review meeting within forty-five (45) days after receiving a request for a Second Level Review. We will notify You in writing of the meeting date at least fifteen (15) days prior to the date. The review meeting will be held during regular business hours at a location reasonably accessible to You. In cases where a face-to-face meeting is not practical for geographic reasons, We will offer You the opportunity to communicate with the review panel at our expense by conference call or other appropriate technology. Your right to a full review may not be conditioned on whether or not You appear at the meeting.

If You choose to be represented by an attorney, We may also be represented by an attorney. If We choose to have an attorney present to represent Our interests, We will notify You at least fifteen (15) working days in advance of the review that an attorney will be present and that You may wish to obtain legal representation of Your own.

The panel must be comprised of persons who:

1. were not previously involved in any matter giving rise to the Second Level Review;
2. are not employees of the Company or Utilization Review Organization; and
3. do not have a financial interest in the outcome of the review.

A person previously involved in the Grievance may appear before the panel to present information or answer questions.

All persons reviewing a Second Level Grievance involving a Utilization Review non-certification or a clinical issue will be providers who have appropriate expertise, including at least one (1) clinical peer. If We use a clinical peer on an appeal of a Utilization Review non-certification or on a First Level Review, We may use one (1) of our employees on the Second Level Review panel if the panel is comprised of three (3) or more persons.

We must issue a written decision to You and, if applicable, to Your representative or provider, within ten (10) business days after completing the review meeting. The decision must include:

1. the name(s), title(s) and qualifying credentials of the members of the review panel;

2. a statement of the review panel's understanding of the nature of the Grievance and all pertinent facts;
3. the review panel's recommendation to the Company and the rationale behind the recommendation;
4. a description of, or reference to, the evidence or documentation considered by the review panel in making the recommendation;
5. in the review of a Utilization Review non-certification or other clinical matter, a written statement of the clinical rationale, including the clinical review criteria, that was used by the review panel to make the determination;

7. a statement that the decision is the Company's final determination in the matter;
8. notice of the availability of the Commissioner's office for assistance, including the telephone number and address of the Commissioner's office.

EXPEDITED REVIEW

You are eligible for an expedited review when the timeframes for an Informal, formal First Level review or Second Level review would reasonably appear to seriously jeopardize Your life or health, or Your ability to regain maximum function. An expedited review is also available for all Grievances concerning an admission, availability of care, continued stay or health care service for a person who has received emergency services, but who has not been discharged from a facility.

A request for an expedited review may be submitted orally or in writing. An expedited review must be evaluated by an appropriate clinical peer in the same or similar specialty as would typically manage the case being reviewed. If We do not have the information necessary to decide an appeal, We will send You notification of precisely what is required within twenty-four (24) hours of Our receipt of Your Grievance. All necessary information, including Our decision, will be transmitted by telephone, facsimile, or the most expeditious method available. Provided We have enough information to make a decision, You, Your authorized representative, or a provider acting on Your behalf will be notified of the determination as expeditiously as the medical condition requires, but in no event more than seventy-two (72) hours after the review has commenced. Written confirmation of Our decision will be provided within two (2) working business days of the decision and will contain the same items described in the written decision requirements for First Level reviews.

If the expedited review does not resolve the situation, You, Your representative or a provider acting on Your behalf may submit a written Grievance.

We will not provide an expedited review for retrospective reviews of Adverse Determinations.
